

M7441 - Cantilever TV Mount - Use with up to 3 Universal Arms and Dual Lock

Summary

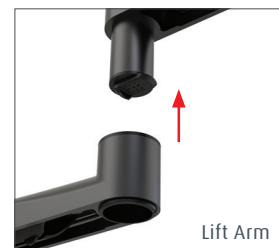

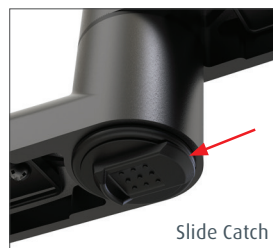

Designed specifically for mobile leisure vehicles such as caravans and motorhomes, the M7441 offers tilt and swivel adjustment ideal where multiple viewing locations are required. A quick release TV mount allows easy removal of the TV for storage, security or whilst travelling. The unique design comes with 3 cantilever arms as standard allowing universal fitting. Simply add or remove arm/s to suit your application.

Unique Features

Quick Release Universal Cantilever Arms

3 arms included as standard allowing universal fitting to suit your application.

Spring loaded catch for quick and easy arm removal

Main Features

Screen Size

Fits TV screen sizes from 13" to 40".

High Quality, Durable and Robust Construction

Designed to hold TV's up to 15kg.

Compatibility

Supports VESA mount sizes from 75 x 75 to 200 x 200.

Tilt Adjustment

The tilt mechanism offers adjustment for optimal viewing angle, ideal where height position is limited and to reduce glare.

Swivel Adjustment

Can rotate from left to right up to 180 degrees (depending on TV size); ideal for viewing from multiple locations and for corner mounting.

Quick Release Universal Cantilever Arms

3 arms included as standard allowing universal fitting to suit your application.

Easy TV Removal

The TV mount plate is designed to simply lift away from the bracket, for easy removal and replacement.

Arm Lock

Spring loaded locking catch locks arm securely to ensure safety for travel.

Cable Management

Integrated cable clips offer improved cable routing.

Fixings included

Includes screw fixings required for mounting to a suitable vertical internal wall.

Features

- High quality, durable, robust construction manufactured out of lightweight aluminium
- Matt Black Finish
- 1 year guarantee
